B a n g a l o r e.

Sir,

With reference to your Memorandum No. 1518, dated 17-9-1907, forwarding for disposal a petition from Halappa and some other ryots of Mundakar Nagani, praying for proper arrangements being made for the performance of daily and Special services in the temple of Sri Mallikarjuna devaru temple at Mrughavadhe in the Thirthahally Taluk, I have the honour to state that the institution is one held in the high esteem in parts of the Shimoga and Kadur Districts, endowed with Sircar and inam lands measuring in the aggregate 385 acres and 39 guntas, assessed at Rs. 781-4-0 of which an extent of 133 acres and 5 guntas assessed at Rs. 8-4-0 is an Inam Kan.(Vide app. A.).

2. Exclusive of the Kan, an extent of 53 acres and 14 guntas out of the assessed lands belonging to the temple lies fallow, and the remaining extent which is under cultivation

cultivation yeilds at present both in kind and in cash a total income of Rs. 1668-0-0.

3. Besides the above income, the ryots in the locali -ty used to pay about 10 maunds of Supari every year at the time of car festival in the shape of offerings, but in lieu of it, it is proposed to reconstruct portions of the Chandrasala which has come down out of subscriptions collected from them. It is reported that a subscription list for Rs. 1602-0-0 has accordingly been circulated for the purpose. An estimate for the repairs of the Chandra sala will be obtained and submitted at an early date.

4. The affairs of the temple were originally looked after with much devotion by archak Subba Bhatta. After his death the Shanbhog of the temple has been attending to the collection work and has been maintaining the accounts also. The Shanbhog has all along been residing at Somavarasante, a village four miles distant from Krughavadhe, which has not many inducements to o offer to settlers on account of its inaccessibility and insalubrious climate.

5. TO make effective arrangements for the regular conduct of daily and special services in this important institution and for the proper management of the temple lands yielding an income of nearly Rs. 1700 every year, the Amildar proposes that it may be

taken

taken over under the management of Government.

6. The scale of expenditure recommended by the Amildar provides for payment in cash to all the temple servants in lieu of payments in kind as heretofore, as with the existing arrangement it is not possible to properly regulate the expenditure of the institution. A reduction of Rs. 64-9-6 has been made in the expenditure provided for the car festival and provision has been now made for special expenditure required on important festival days. All the services provided for in the proposed scale are said to be necessary. The Shanbhog's pay also is proposed to be incresed from Rs. 5 to 8 per month commencurate with the importance of work and the necessity of his having to reside at Mrughavadhe.

7. The total cost of the proposed scale is Rs. 1571-12-0 as against a total estimated income of Rs. 1680-12-0 which leaves a fair margin of Rs. 109-0-0 per annum for repairs of the institution and other unforeseen expenditure.

8- I request that sanction may be accorded at an early date to take the institution under Government management and to adopt the revised scale of expenditure now proposed. (App. B).

9.

9. A statement showing the names of persons who may be appointed Dharmadarsis of the institution is also submitted for favour of sanction.

10. The vernacular papers pending with the Taluk Amildar's report No. 315 dated 21-10-1912 accompany for favour of perusal and obliging return.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
